Financing may be effected through conventional mortgages or deeds of trust, the issuance and sale of development or other bonds, or in any other form or manner as may be deemed appropriate by the Association. The mortgage or other security interest given to secure repayment of any debt may consist of a first, second, or other junior lien as shall be deemed appropriate by the Association, on the improvement or other facility to be constructed, together with such underlying and surrounding lands as the Association deems appropriate. The debt secured by such mortgage or other security instrument may be retired from and secured by the revenues generated by dues, use fees, assessment of the members of the Association, or otherwise, or any combination thereof, as may be deemed appropriate by the Association, but subject to the limitations imposed by this Declaration.

(d) To take out and maintain current a policy of liability insurance coverage to cover accidental bodily injury and/or death caused by the use and enjoyment in the Common Area. Such insurance shall be in an amount as the Board shall deem appropriate.

5.08 Indemnification. The Association and Cooperative shall indemnify any person who was or is a party, or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that he is or was a director, officer, committee member, employee, servant or agent of the Association against expenses, including attorney's fees, reasonably incurred by him in connection with such action, suit or proceeding if it is found and determined by the Board or a Court that he (1) acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the Association, or (2) with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by settlement, or upon a plea of Nolo Contendere, of its equivalent, shall not of itself create a presumption that the person did not act in good faith or in a manner which he reasonably believed to be in, or not opposed to, the best interests of the Association, or, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful. The Board may purchase and maintain insurance on behalf of any person who is or was a director, officer, committee member, employee, servant, or agent of the Association, against any liability asserted against him or incurred by him in any such capacity, or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability hereunder or otherwise.

ARTICLE VI ARCHITECTURAL COMMITTEE

6.01 Membership of Architectural Committee. The Architectural Committee shall consist of not more than three (3) members ("ACC Members") as Declarant, its successors or assigns deems appropriate. The initial ACC Members of the Architectural Committee shall be Robert E. Peerman, Sr. and Robert E. Peerman, Jr.

6.02 Action by Architectural Committee. Items presented to the Architectural Committee shall be decided by a majority vote of the ACC Members.

6.03 Term. Each member of the Architectural Committee shall hold office until such time as he or she has resigned or has been removed or his or her successor has been appointed, as provided herein.

6.04 Declarant's Rights of Appointment. Declarant, its successors or assigns shall have the right to appoint and remove all ACC Members. Declarant may delegate this right to the Board by written instrument. Thereafter, the Board shall have the right to appoint and remove all ACC Members.

6.05 Adoption of Rules. The Architectural Committee may adopt such procedural and substantive rules, not in conflict with this Declaration, as it may deem necessary or proper for the performance of its duties, including but not limited to a building code, a fire code, a housing code, and other similar codes as it may deem necessary and desirable. Each Owner shall comply with said rules as the same may be amended from time to time, and failure to comply with said rules shall constitute a default of this Declaration, and any Owner, including Declarant, at its sole expense and/or the Board may seek any of the remedies set forth herein for default of this Declaration.

6.06 Review of Proposed Construction. Whenever in this Declaration, or in any Supplemental Declaration, the approval of the Architectural Committee is required, it shall have the right to consider all of the Plans and Specifications for the Improvement or proposal in question and all other facts which, in its sole discretion, are relevant. Prior to the commencement of any construction of any Improvement on the Property or any portion thereof, the Plans and Specifications therefor shall be submitted to the Architectural Committee, and construction thereof may not commence unless and until the Architectural Committee has approved such Plans and Specifications in writing. The Architectural Committee shall consider and act upon any and all Plans and Specifications submitted for its approval pursuant to this Declaration, and perform such other duties assigned to it by this Declaration or as from time to time shall be assigned to it by the Board, including the inspection of construction in progress to assure its conformance with Plans and Specifications approved by the Architectural Committee. The Architectural Committee may review Plans and Specifications submitted for its review and such other information as it deems proper. Until receipt by the Architectural Committee of any information or document deemed necessary by the Architectural Committee, it may postpone review of any Plans and Specifications submitted for approval. No Improvement shall be allowed on any Lot which is of such size or architectural design or involves the use of such landscaping, color schemes, exterior finishes and materials and similar features as to be incompatible with residential development within the Property. The Architectural Committee based upon the restrictions set forth in the preceding sentence and the decision of the Architectural Committee shall be final and binding so long as it is made in good faith. The Architectural Committee shall not be responsible for reviewing any proposed Improvement, nor shall its approval of any Plans or Specifications be deemed approval thereof from the standpoint of structural safety, engineering soundness, or conformance with building or other codes.

6.07 Variance. The Architectural Committee may grant variances from compliance with any of the provisions of this Declaration, or any Supplemental Declaration, when, in the opinion of the Architectural Committee, in its sole and absolute discretion, such variance will not materially impair or detract from development of the Property, and such variance is justified due to unusual or aesthetic considerations or unusual circumstances. All variances must be evidenced by a written instrument, in recordable form, and must be signed by a majority of the ACC Members. The granting of such variance shall not operate to waive or amend any of the terms and provisions of these covenants and restrictions applicable to the Lots for any purpose except as to the particular property and in a particular instance covered by the variance, and such variance shall not be considered to establish a precedent or future waiver, modification, or amendment of the terms and provisions hereof.

6.08 Actions of the Architectural Committee. The Architectural Committee may, by resolution, unanimously adopted in writing, designate one or two of its ACC Members or an agent acting on its behalf to take any action or perform any duties for and on behalf of the Architectural Committee. In the absence of such designation, the vote of a majority of all of the ACC Members taken without a meeting, shall constitute an act of the Architectural Committee.

6.09 No Waiver of Future Approvals. The approval or consent of the Architectural Committee to any Plans or Specifications for any work done or proposed or in connection with any other matter requiring the approval or consent of the Architectural Committee shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any Plans and Specifications, or other matter whatever, subsequently or additionally submitted for approval or consent by the same or a different person.

6.10 Work in Progress. The Architectural Committee, at its option, may inspect all work in progress to insure compliance with approved Plans and Specifications.

6.11 Nonliability of Architectural Committee Members. Neither the Architectural Committee, nor any Member thereof, nor the Board, nor any member thereof, shall be liable to the Association or to any Owner or to any other person for any loss, damage or injury arising out of their being in any way connected with the performance of the Architectural Committee's or the Board's respective duties under this Declaration unless due to the willful misconduct or bad faith of the Architectural Committee or its Member or the Board or its member, as the case may be. Neither the Architectural Committee, nor the ACC Members thereof, shall be liable to any Owner due to the construction of any Improvement within the Property.

6.12 Address. Plans and Specifications shall be submitted to the Architectural Committee, c/o Robert E. Peerman, 12020 US 290 West, Austin, Texas 78737, or such other address as may be designated by Declarant, its successors and assigns, from time to time.

6.13 Fees. The Architectural Committee shall have the right to require a reasonable submission fee for each set of Plans and Specifications submitted for its review.

ARTICLE VII FUNDS AND ASSESSMENTS

7.01 Assessments.

(a) Assessments established by the Boards pursuant to the provisions of this Article VII shall be levied on a uniform basis against each Lot within the Property. The amount of the Assessment shall be determined by dividing the total amount determined by the Board to be necessary pursuant to Section 7.03, 7.04 and/or 7.05 hereof by the total number of acres within the Property at the time the Assessment is levied, as determined by reference to each Plat of a portion of the Property which is of record at the time the Assessment is levied.

(b) Each unpaid assessment, together with interest and costs of collection, as provided below, shall be the personal obligation of the Owner of the Property against which the Assessment fell due, and shall become a vendor's lien against each such Lot and all its Improvements. The Association and Cooperative may enforce payment of such Assessments in accordance with the provisions of this Article.

7.02 Maintenance Fund. The Boards shall establish maintenance and/or management funds into which shall be deposited all monies paid to the Association and/or the Cooperative and from which disbursements shall be made in performing the functions of the Association under this Declaration. The funds of the Association and the Cooperative must be used solely for purposes authorized by this Declaration, as it may from time to time be amended.

7.03 Regular Annual Assessments. Prior to the beginning of each fiscal year, the Boards shall estimate the expenses to be incurred by the Association and the Cooperative during such year in performing its function under the Hidden Creeks Ranch Restrictions and the Plan, including but not limited to, the cost of all maintenance, the cost of providing street lighting, the cost of enforcing the Hidden Creeks Ranch Restrictions, the cost of implementing wildlife management practices as described in the Plan, and a reasonable provision for contingencies and appropriate replacement reserves, less any expected income and any surplus from the prior year's fund. Assessments sufficient to pay such estimated net expenses shall then be levied as provided herein, and the level of Assessments set by the Boards shall be final and binding so long as it is made in good faith. If the sums collected prove inadequate for any reason, including non payment of any individual Assessment, the Association and/or the Cooperative may at any time, and from time to time, levy further Assessments in the same manner as provided above. All such regular Assessments shall be due and payable to the Association and the Cooperative at the beginning of the fiscal year or during the fiscal year in equal monthly installments on or before the first day of each month, or in such other manner as the Boards may designate in its sole and absolute discretion. In no event shall the regular annual assessment per Lot for the year 1999 exceed the sum of \$600.00. Thereafter, at the Boards' sole and absolute discretion, the maximum regular annual assessment permitted hereunder may be increased by no more than twenty percent (20%) per year. The maximum regular annual assessment may be increased by more than twenty per cent (20%) during a year only by affirmative vote of two-thirds (2/3) of each class of members, voting in person or by proxy, at a meeting duly called for such purpose.

7.04 Vista Grande Road Maintenance Annual Assessments. The Association shall be responsible for its pro rata share of the annual maintenance and repair of the Vista Grande roadway which connects the Property to a publicly dedicated roadway. The Association's "pro rata share" shall equal the product of (i) total annual expense of such roadway maintenance and repair multiplied by (ii) the fraction of which the denominator equals (x) the total acreage contained in the Vista Grande subdivision and the Hidden Creeks Ranches subdivision, and (y) the numerator equals the total number of acres in the Hidden Creeks subdivision. Prior to the beginning of each fiscal year, the Vista Grande Property Owners' Association shall estimate the expenses to be incurred for the maintenance of the Vista Grande roadway and determine the Association's share of the maintenance of the Vista Grande Road which connects the Property to a publicly dedicated roadway. Assessments sufficient to pay such estimated road maintenance expenses shall then be levied as provided herein, and the level of Assessments set by the Board shall be final and binding so long as it is made in good faith. If the sums collected prove inadequate for any reason, including non payment of any individual Assessment, the Association may at any time, and from time to time, levy further Assessments in the same manner as provided above. All such regular Assessments shall be due and payable to the Association at the beginning of the fiscal year or during the fiscal year in equal monthly installments on or before the first day of each month, or in such other manner as the Board may designate in its sole and absolute discretion.

7.05 Owner's Personal Obligation for Payment of Assessments. The Assessments provided for herein shall be the personal and individual debt of the Owner of the Lot covered by such Assessments. No Owner may exempt himself from liability for such Assessments. In the event of default in the payment of any such Assessment, the Owner of the lot shall be obligated to pay interest at the highest rate allowed by applicable usury laws then in effect on the amount of the Assessment from the due date thereof, together with all costs and expenses of collection, including reasonable attorneys' fees.

7.06 Assessment Lien and Foreclosure. All sums assessed in the manner provided in this Article but unpaid, shall, together with interest thereon as provided for in Section 7.05 above, and the cost of collection, including reasonable attorneys' fees, thereupon become a continuing lien and charge on the Lot covered by such Assessment, which shall bind

such Lot in the hands of the Owner, and such Owner's heirs, devisees, personal representatives, successors, or assigns. This lien shall be superior to all other liens and charges against the said Lot, except only for tax liens and all sums unpaid on a first mortgage lien or first deed of trust liens of record, securing in either instance sums borrowed for the acquisition or improvement of the Lot in question. The Association shall have the power to subordinate the aforesaid Assessment lien to any other lien. Such power shall be entirely discretionary with the Board and such subordination may be signed by an officer of the Association to evidence the aforesaid Assessment lien, the Association may prepare a written notice of Assessment lien setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot covered by such lien, and a description of the Lot. Such notice shall be signed by one of the officers of the Association and shall be recorded in the offices of the County Clerks of Hays and Blanco Counties, Texas. Such lien for payment of Assessments shall attach with the priority set forth above from the date that such payment become delinquent and may be enforced by the foreclosure of the defaulting Owner's Lot by the Association in like manner as a mortgage on real property subsequent to the recording of a notice of Assessment lien as provided above, or the Association may institute suit against the Owner personally obligated to pay the Assessment and/or for foreclosure of the aforesaid lien judicially. In any foreclosure proceeding, whether judicial or not judicial, the Owner shall be required to pay the costs, expenses, and reasonable attorneys' fees incurred. The Association shall have the power to bid on the property at foreclosure, or other legal sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same. Upon the written request of any Mortgagee, the Association shall report to said Mortgagee any unpaid Assessments remaining unpaid for longer than thirty (30) days after the same are due.
